EXPRESSIONS OF INTEREST

// JUNIORS 2023 - EXPRESSIONS OF INTEREST

Perth SC values the development of our junior players and where possible, existing PSC players will be given preference for 2023 places.

All details regarding the selection process; key dates and the training commitment for each age group are detailed in this document – please see the appropriate age group heading.

It is club policy that players participate in their birth year unless they are assessed as 'elite' by our Technical Director. Please complete only one expression of interest per child as all trial invitations will be based on birth year with reference to your selected 'preferred' 2023 team.

Please be aware that we do not conduct open trials and depending on the age group, we may only be trialling for a small number of places.

Trial invitations and offers will be sent via email. Spam filters can block or filter messages, so you may wish to mark perthscjuniors@perthsc.com.au AND perthscjuniors@gmail.com as 'not spam' and/or check your 'junk' folder for messages around the key dates.

Perth SC has made every effort to accurately publish the details of our selection process and the associated dates, however we reserve the right to make changes as necessary.

All players, including existing Perth SC players, who wish to be considered for a 2023 team MUST complete an online expression of interest form – before the published cut off dates.
