DIVERSITY AND INCLUSION BEHAVIOUR STATEMENT

Perth Soccer Club actively promotes Diversity, Equality and Inclusion in our behaviour, practices and values. We endeavour to treat everyone fairly and with respect.

Football is for everyone. It should be enjoyed by anyone who wants to participate in it, whether as a player, official or spectator. We aim to bring people together in a way that supports positive change, makes people feel valued and improves the lives and experience of our fans and wider community.

As fans of Perth Soccer Club we are one family, regardless of background, and it is fundamental to our values that everyone feels welcome. We are committed to confronting and eradicating ALL forms of discrimination, including race, religion, belief, sex, sexual orientation or disability.

At Perth Soccer Club our aim is to produce Better Players AND, more importantly, Better People.

We are proud to represent every part of our diverse community and for those that don't share these views, we will not compromise on our values.

We hope you enjoy your matchday experience with us.

President's Report

On behalf of the Board of Management, I would like to welcome President Peter Carlino and Balcatta Etna to Dorrien Gardens today to kick off the 2025 NPLM season.

It doesn't get much better than hosting our traditional Italian rivals in the Ferrari Cup, and to do so on the opening day of the season makes this year's first home game extra special.

Best of luck to Head Coach Kenny Lowe and our boys this season. We are looking to play an exciting brand of football that will win us games this season and hopefully have us pushing for some silverware.

All the best also to our Under 18s and Under 23s for season 2025 and to Amir Dzamastagic, Kevin Castle and all of their support staff.

Congratulations to our NPLW side, who made it to last night's final of the Night Series. Hopefully, we are celebrating another trophy at Dorrien Gardens when reading this. Best wishes to Head Coach Tom Glavovic and the girls for the league season, which kicks off next weekend.

A big thankyou to all of our sponsors for supporting the club again in 2025, particularly to Tony Fini and his daughter Nadia for their continued major sponsorship of Perth SC.

Thanks to all of the sponsors who have contributed to our Viveash fundraising home, which will hit the market next month. We have had unbelievable support from our community and we will offer a fantastically built home to the market. Deepest appreciation to Dino, Vince and NJ at Trio Homes for the mountain of work they have put into this project.

Many of you would have seen our redevelopment plans with the WA Italian Club to totally transform the Dorrien Gardens

precinct and the \$30 million commitment made by the re-elected State Labor Government.

Firstly, I would like to thank Premier Roger Cook and Deputy Premier Rita Saffioti for their support of this exciting project. I would also like to thank WA Italian Club President Sal Vallelonga for his vision and passion for the project.

There is still a lot of work to do on this project, including securing some more funding to make our vision a reality. But we are committed to doing whatever humanly possible to make this happen. It is time to bring the Azzurri back home to the Italian Club.

We were also successful in securing a \$1.5 million grant for an upgrade of Forrest Park, where our junior teams play. A big thank you to the newly elected Member for Mt Lawley Frank Paolino for his advocacy and support. We look forward to working with Frank and the City of Vincent on this project.

Together with previous funding as part of Project Matilda, the club continues to improve access and infrastructure to all of our playing and training fields to make the experience of playing for Perth SC the very best for all of our players.

To our members and supporters, please get behind our fundraising efforts and events this season. A successful club is built on the strong support of its community and I urge you not just to support our teams on the field, but enjoy the fun and friendship off it.

I look forward to an exciting game this afternoon and please come and say hello. Forza Azzurri!

NPL Senior Men

I would like to welcome Glenn Grostate and his Balcatta Etna side to Dorrien Gardens for the opening day of the league season.

To our members and supporters, I hope you have all enjoyed a good summer break, but I know you will all be as excited as I am about our return to competitive action.

Our friendly fixtures plus the Night Series games will hopefully have provided the ideal preparation for our opening game today.

I have already been fortunate enough to experience the Dorrien Gardens atmosphere as a spectator and opposition coach many times, but this will be my first taste of it as Perth SC's head coach for the very first game of the season and I am looking forward to seeing the full season experience. I know everyone at the club will give our players, our staff and myself all your support going forward.

It has been a busy pre-season, as you can imagine, but I believe it has been an extremely positive one, on and off the field.

Our pre-season preparation has both been successful and enjoyable, with a lot of really good work put in on the training pitch and a chance for those new to the club to get a real taste of the passion and commitment of the people involved at Perth SC.

Of course, people will naturally look towards the results we had in our Night Series and friendly matches, and it is true that we enjoyed some good wins against some strong opponents from which we can take a lot of positives for sure.

I saw intensity, I saw sharpness and I saw an understanding of the way we want to play – and, of course, to be very competitive in all games we have played in the preseason bodes well.

But we have also instilled high standards, and while we saw lots of things we liked from the team in the early games, we are aware too that there are many areas in which we can, and must, improve and develop. The players know that too – they all have high standards – and we expect to see that improvement in the coming weeks and months - hopefully starting today.

As we have said already, it was hugely important that we were able to keep a majority of everyone fit and healthy throughout pre-season. We have one or two niggles which is normal, but we expect all to be available for our first game. This will be a big boost to the squad because having everyone back will help us to continue improving as we start the new season.

We are of course, hugely optimistic heading into the new campaign. Now it is up to us to perform like Perth SC did for many years previously and, hopefully, to bring success to the club.

We know that everyone wants that more than anything, and all can rest assured that our players, support staff, football operations and board will be doing all that we can to deliver for our members and supporters.

Enjoy the game

Tony and Nadia proudly supporting Perth Soccer Club.

Tony Fini and his daughter Nadia Lefroy are co-owners of Fini Developments and proud supporters of the Perth Soccer Club. Under Nadia's leadership and Tony's mentorship, Fini Developments has continued the family's tradition of developing property of the highest quality.

Tony has always believed that if you can give back to the community, then one should. Tony came to Australia, like many people post World War 2 with very little. He is very grateful for the opportunities Australia has allowed him and grateful that he is in a position to give something back to the community.

For the past 60 years Tony has fundraised for many causes, associations and organizations. In order to make the best of his contributions to the community, Tony founded the Tony Fini Foundation through which he could personally donate to many charitable organizations. Since its inception in 2008, the main focus has been on medical research and the wellbeing of children.
